To whom it may concern,

I had the pleasure of working with Joe and can confidently say he is an exceptional colleague. He consistently brings a strong work ethic, attention to detail, and a calm, solutions-focused mindset to everything he does. And - without a doubt he is the fastest designer I have ever worked with!

Joe is highly reliable and takes real ownership of his work, always ensuring projects are delivered to a high standard. He communicates clearly, collaborates well across teams, and is someone people naturally trust and enjoy working with.

What really stands out is his ability to stay composed under pressure while still producing detailed, high-quality work. He's proactive, dependable, and always willing to go the extra mile when needed.

I wouldn't hesitate to recommend Joe. He'd be a valuable asset to any team.
